Dear Beth:

I am writing to tell you, and the membership of the Rockland Business Women's Network how grateful we are for your support of People to People. It was a tremendous honor to be recognized at this year's event and I was truly touched. We are also incredibly grateful for the RBWN's donation of \$1,500 to People to People.

We are grateful for your support of our efforts to help our neighbors in need. Today, our resources are being stretched like never before. It is a daily challenge to keep food on our Pantry shelves so that we can, in turn, help Rockland's most vulnerable residents put food on their tables. We have gone from serving an average of 530 families a month, to serving as many as 1,200 families a month – families who simply do not have enough to eat. We simply could not do what we do without your help.

On behalf of all the members of our community who will not go to bed hungry, thank you for your support of our efforts.

Many, many thanks.

Sincerely,

Diane
